

AGOSTO 2004

This is a detailed cadastral map of a rural area in Italy. The map shows a network of roads (Strada) and rivers (Fiume). Land parcels are outlined in red, and various areas are color-coded: yellow for agricultural land, green for forests, and red for urban areas. Several buildings are highlighted in green, and a large area is marked with a yellow hatched pattern. The map includes labels for roads (Strada), rivers (Fiume), and various landmarks like 'Masegni Cologni' and 'Masegni Archiviato'. A scale bar at the bottom indicates distances up to 400 meters.
